CCS SERIES  
COMBAT CARBINE

The Maxim Defense Combat Carbine Brace (CCS) has the same design features, materials selection, and durability as our venerable CQB series.

It's for those who want a standard length carbine length brace, but with more durability and features. It uses your existing buffer & spring and bolt carrier group.

Featuring solid attachment, quick deployment, 2 built-in sling mounts, and 3-positions of adjustment, the Maxim Defense CCS is perfect for your short barrel or full length carbine.
