

MD:15 **NJ** COMPLIANT

For civilian shooter in New Jersey looking for a compliant AR- Style other firearm without compromising performance, the **Maxim Defense NJ Compliant MD:15 Other Firearm** offers a premium solution. Built on the proven MD:15 platform and chambered in 5.56 NATO, this firearm blends Maxim's high-performance engineering with the necessary modifications to meet New Jersey's compliance requirements.

It features a **12.35" barrel with a Maxim Hate Brake muzzle system, a longer than 26" overall length, Maxim CCS pistol brace, vertical foregrip, 10-round magazine configuration to remain within state legal limits.** The hyperfire PDI drop-in trigger provides a crisp, responsive break, with the 8.5" M-Lock™ compatible handguard with MIL-SPEC lower receiver components give shooters superior control and modularity.

Weighing just 6.5 lbs and measuring 28.14" collapsed, the NJ compliant MD:15 is compact, reliable, and purpose-built for serious civilian use. Whether you're upgrading for your home defense setup or seeking a compliant range other firearm, **this system delivers durability, balance, and function—all in a package that stands up to scrutiny and exceeds expectations.**
