

MD:15 OTHER WEAPON

The Maxim Defense MD:15 OTHER Weapon is a purpose-built solution for shooters seeking a compliance-focused AR-style platform without compromising quality, reliability, or performance. Chambered in 5.56 NATO and built on the proven MD:15 platform, it combines Maxim Defense engineering with features commonly associated with compliance-focused firearm configurations.

Featuring a 12.3" barrel, compliance-focused non-functional faux suppressor, Maxim CCS pistol brace, vertical foregrip, and 10-round magazine configuration, the MD:15 OTHER Weapon delivers exceptional handling in a compact package. The Hiperfire PDI drop-in trigger, 8.5" M-LOK® compatible handguard, and MIL-SPEC components provide the control, durability, and modularity serious shooters expect.

At just 6.5 pounds and 26.5 inches collapsed, the MD:15 OTHER Weapon offers a balanced blend of maneuverability, dependability, and performance for training, recreational shooting, and compliance-focused firearm ownership.
